

INDEX

	Page		Page
A		G	
Adrenal Cortex, The Function of the, in Rheumatic Fever, by S. Wiener	103	Gardiner, J. M., and Lowe—The Spatial Vector- Electrocardiogram in the Left Ventricular Hypertrophy of Hypertension	22
Allsop, J. L.—Thallium Poisoning	144		
Aortography, Abdominal, by P. W. Verco and R. F. West	30	H	
B		Hæmochromatosis, Removal of Excess Body Iron in, by Repeated Venesection, by C. R. B. Blackburn, A. E. McGuinness and I. Kaldor ..	202
Blackburn, C. R. B.— On the Clinical Detection of Enlargement of the Spleen	78	Hæmoglobin Value of Young Women, The Variation from Day to Day in the, by H. Cotter, H. O. Lancaster and R. J. Walsh	99
<i>Et alii</i> —Removal of Excess Body Iron in Hæmochromatosis by Repeated Venesection ..	202	Hæmophilia-Like Disease Produced by a Cir- culating Anticoagulant, by I. S. Collins ..	161
Blacket, R. B., <i>et alii</i> — Studies in Mitral Stenosis— I. The Dynamics of the Circulation ..	36	Halliday, J. H., <i>et alii</i> — Studies in Mitral Stenosis— I. The Dynamics of the Circulation ..	36
II. The Electrocardiographic and Rönt- genological Findings	55	II. The Electrocardiographic and Rönt- genological Findings	55
Breidahl, H. D.—Cation Exchange Resins: A Clinical and Biochemical Study of Their Use in Edema	186	Heart Disease, Cyanotic, with Continuous Murmur, by E. H. Roche	17
C		Hepatitis, Infectious, The Course of, with Special Reference to Prognosis and the Chronic Stage, by E. G. Saint, W. E. King, R. A. Joske and E. S. Finckh	113
Cerebral Angiomatous Formations, by G. C. Moss	67	Hypertension—The Spatial Vector-Electrocardio- gram, in the Left Ventricular Hypertrophy of, by J. M. Gardiner and T. E. Lowe	22
Circulation, The Dynamics of the—Studies in Mitral Stenosis. I, by R. B. Blacket <i>et alii</i> ..	36	I	
Collins, I. S.—Hæmophilia-Like Disease Pro- duced by a Circulating Anticoagulant	161	Inglis, K., <i>et alii</i> —Melorheostosis: Its Relation to Associated Conditions and a Case Report ..	84
Cotter, H., <i>et alii</i> —The Variation from Day to Day in the Hæmoglobin Value of Young Women	99	Iron Metabolism, Intermediary, Studies on. III. The Value of Serum Iron and Iron-Binding Capacity Measurements in Clinical Diagnosis, by I. Kaldor	206
D		J	
Diagnosis, Clinical, The Value of Serum Iron and Iron-Binding Capacity Measurements in. Studies on Intermediary Iron Metabolism. III, by I. Kaldor	206	Jones, F. Avery, and King—A Study of Acute Gastric Ulcers Causing Hæmorrhage	179
E		Joske, R. A., <i>et alii</i> —The Course of Infectious Hepatitis with Special Reference to Prognosis and the Chronic Stage	113
Embolism, Thrombosis and, in Chronic Rheumatic Endocarditis, by V. J. McGovern ..	81	K	
Enteritis in Young Children, Epidemiology of, by E. Singer and C. G. Ludford	5	Kaldor, I.— Studies on Intermediary Iron Metabolism. III. The Value of Serum Iron and Iron- Binding Capacity Measurements in Clinical Diagnosis	206
Exophthalmos, Malignant: A Quantitative Analysis of the Orbital Tissues, by F. F. Rundle, L. R. Finlay-Jones and K. B. Noad ..	128	<i>Et alii</i> —Removal of Excess Body Iron in Hæmochromatosis by Repeated Venesection ..	202
F		King, W. E.— And Jones—A Study of Acute Gastric Ulcers Causing Hæmorrhage	179
Farrar, J. F., <i>et alii</i> — Studies in Mitral Stenosis— I. The Dynamics of the Circulation ..	36	<i>Et alii</i> —The Course of Infectious Hepatitis with Special Reference to Prognosis and the Chronic Stage	113
II. The Electrocardiographic and Rönt- genological Findings	55		
Finckh, E. S., <i>et alii</i> —The Course of Infectious Hepatitis with Special Reference to Prognosis and the Chronic Stage	113		
Finlay-Jones, L. R., <i>et alii</i> —Malignant Exoph- thalmos: A Quantitative Analysis of the Orbital Tissues	128		

	Page		Page
L		R	
Lancaster, H. O., <i>et alii</i> —The Variation from Day to Day in the Hæmoglobin Value of Young Women	99	Resins, Cation Exchange: A Clinical and Biochemical Study of Their Use in Œdema, by H. D. Breidahl	186
Lindsell, C. K., <i>et alii</i> —Melorheostosis: Its Relation to Associated Conditions and a Case Report	84	Rheumatic Endocarditis, Chronic, Thrombosis and Embolism in, by V. J. McGovern	81
Lowe, T. E.— Intake and Output of Water in the Control of Body Water Content	136	Rheumatic Fever—The Function of the Adrenal Cortex in, by S. Wiener	103
And Gardiner—The Spatial Vector-Electrocardiogram in the Left Ventricular Hypertrophy of Hypertension	22	Robson, H. N.—Myelosclerosis: A Study of a Condition also Known as Myelofibrosis, Aleuchæmic Myelosis, Agnogenic Myeloid Metaplasia, and Other Titles	170
Ludford, C. G., and Singer—Epidemiology of Enteritis in Young Children	5	Roche, E. H.—Cyanotic Heart Disease with Continuous Murmur	17
M		Royal Australasian College of Physicians, The— Proceedings of— Annual Meeting, 1953	210
Maddox, J. K., <i>et alii</i> —Studies in Mitral Stenosis— I. The Dynamics of the Circulation	36	Clinical Meetings	210
II. The Electrocardiographic and Röntgenological Findings	55	College Ceremony	211
McGovern, V. J.—Thrombosis and Embolism in Chronic Rheumatic Endocarditis	81	Constitution of Council	211
McGuinness, A. E., <i>et alii</i> — Melorheostosis: Its Relation to Associated Conditions and a Case Report	84	General	107, 211
Removal of Excess Body Iron in Hæmochromatosis by Repeated Venesection	202	Meetings	107
Melorheostosis: Its Relation to Associated Conditions and a Case Report, by A. E. McGuinness, L. C. A. Watson, C. K. Lindsell and K. Inglis	84	Membership	107, 211
Mills, R. M.—Tuberculous Infection in Infants Under the Age of Two Years	195	Scientific Sessions	210
Mitral Stenosis, Studies in— I. The Dynamics of the Circulation, by R. B. Blacket, A. J. Palmer, B. C. Sinclair-Smith, J. F. Farrar, J. H. Halliday and J. K. Maddox	36	Rundle, F. F., <i>et alii</i> —Malignant Exophthalmos: A Quantitative Analysis of the Orbital Tissues	128
II. The Electrocardiographic and Röntgenological Findings, by B. C. Sinclair-Smith, R. B. Blacket, A. J. Palmer, J. F. Farrar, J. H. Halliday and J. K. Maddox	55	S	
Moss, G. C.—Cerebral Angiomatous Formations	67	Saint, E. G., <i>et alii</i> —The Course of Infectious Hepatitis with Special Reference to Prognosis and the Chronic Stage	113
Myelosclerosis: A Study of a Condition also Known as Myelofibrosis, Aleuchæmic Myelosis, Agnogenic Myeloid Metaplasia, and Other Titles, by H. N. Robson	170	Sinclair-Smith, B. C., <i>et alii</i> —Studies in Mitral Stenosis— I. The Dynamics of the Circulation	36
N		II. The Electrocardiographic and Röntgenological Findings	55
Necrosis, Cortical, of the Kidney, Phosphorus Poisoning with: A Report of Two Cases, by J. W. Perry	94	Singer, E., and Ludford—Epidemiology of Enteritis in Young Children	5
Noad, K. B., <i>et alii</i> —Malignant Exophthalmos: A Quantitative Analysis of the Orbital Tissues	128	Spleen—On the Clinical Detection of Enlargement of the, by C. R. B. Blackburn	78
O		T	
Œdema—Cation Exchange Resins: A Clinical and Biochemical Study of Their Use in, by H. D. Breidahl	186	Thallium Poisoning, by J. L. Allsop	144
P		Thrombosis and Embolism in Chronic Rheumatic Endocarditis, by V. J. McGovern	81
Palmer, A. J., <i>et alii</i> —Studies in Mitral Stenosis— I. The Dynamics of the Circulation	36	Tuberculous Infection in Infants Under the Age of Two Years, by R. M. Mills	195
II. The Electrocardiographic and Röntgenological Findings	55	U	
Perry, J. W.—Phosphorus Poisoning with Cortical Necrosis of the Kidney: A Report of Two Cases	94	Ulcers, Gastric, Acute, Causing Hæmorrhage, A Study of, by F. Avery Jones and W. E. King	179
Phosphorus Poisoning with Cortical Necrosis of the Kidney: A Report of Two Cases, by J. W. Perry	94	Upfill, J.	186
Q		V	
Œdema—Cation Exchange Resins: A Clinical and Biochemical Study of Their Use in, by H. D. Breidahl	186	Vector-Electrocardiogram, The Spatial, in the Left Ventricular Hypertrophy of Hypertension, by J. M. Gardiner and T. E. Lowe	22
R		Verco, P. W., and West—Abdominal Aortography	30
S		W	
T		Walsh, R. J., <i>et alii</i> —The Variation from Day to Day in the Hæmoglobin Value of Young Women	99
U		Water Content, Body, Intake and Output of Water in the Control of, by T. E. Lowe	136
V		Watson, L. C. A., <i>et alii</i> —Melorheostosis: Its Relation to Associated Conditions and a Case Report	84
W		West, E. F., and Verco—Abdominal Aortography	30
X		Wiener, S.—The Function of the Adrenal Cortex in Rheumatic Fever	103
